Caryn,

Why don't I give you a call at 9:30 tomorrow morning? If that doesn't work, let me know and we can make other arrangements.

Thanks!

Cynthia

Hi, Caryn.

It was nice seeing you in Columbia Falls a few weeks ago. As we discussed at the time, it would be a good idea for us to get in touch with each other for a chat. Since then, however, all of my attention has been focused on the Gold King Mine emergency response. I am back in the office this week, but I believe I will be redeployed to the Area Command all next week.

Would you have time this week for a call? Wednesday morning would be the best time for me, if that works for you.

Thanks,

Cynthia
